REGULAR BOARD MEETING
JULY 10, 2017

A. CALL TO ORDER

Mr. Pierman called to order the July 10, 2017, Regular Board Meeting of the Thousand Oaks Community Development District at 4:17 p.m. in the Board Room of the Northern Palm Beach County Improvement District located at 359 Hiatt Drive, Palm Beach Gardens, Florida 33418.

B. PROOF OF PUBLICATION

Proof of publication was presented that notice of the Regular Board Meeting had been published in *The Palm Beach Post* on September 26, 2016, as part of the District's Fiscal Year 2016/2017 Regular Meeting Schedule, as legally required.

C. ESTABLISH A QUORUM

A quorum was established by the presence of Vice Chairman Randy Hicks and Supervisors Kimberly Jackson (via conference call), Rance Gaede and Corey Smith.

Staff present were: District Manager Jason Pierman of Special District Services, Inc.; and District Counsel Frank Palen of Caldwell Pacetti Edwards Schoech & Viator LLP.

D. ADDITIONS OR DELETIONS TO THE AGENDA

There were no additions or deletions to the agenda.

E. COMMENTS FROM THE PUBLIC FOR ITEMS NOT ON THE AGENDA

There were no comments from the public for items not on the agenda.

F. APPROVAL OF MINUTES

1. June 12, 2017, Public Hearing & Regular Board Meeting

Mr. Pierman presented the minutes of the June 12, 2017, Public Hearing & Regular Board Meeting. Mr. Hicks moved approval, seconded by Mr. Gaede, and without discussion, the **motion** carried 4 to 0 approving the June 12, 2017, Public Hearing & Regular Board Meeting minutes, as presented.

G. OLD BUSINESS

1. Consider Approval of Proposals for Preserve Area

Mr. Pierman presented proposals from Aquatic Vegetation Control for the large preserve area, the smaller preserve area, and the upland preserve area. He noted that he had requested three separate proposals because the Board may not wish to do everything at

once. Mr. Pierman also explained that Palm Beach Aquatics is still working on proposals, but had strongly discouraged doing all of the trimming at once; rather, they suggested trimming in stages, so as not to shock the plants. Following discussion, the Board requested that Mr. Pierman ask Aquatic Vegetation Control about the staged trimming, and to bring proposals back to the next meeting for consideration.

H. NEW BUSINESS

There were no New Business items to come before the Board.

I. ADMINISTRATIVE MATTERS

There were no Administrative Matters to come before the Board.

J. BOARD MEMBER COMMENTS

There were no comments from the Board Members.

K. ADJOURNMENT

There being no further business to come before the Board, a **motion** was made by Mr. Smith, seconded by Mr. Hicks to adjourn the meeting at 4:36 p.m. That **motion** carried 4 to 0.

Covered Under This Contract

Thank you for this opportunity to submit to you the following proposal for tree trimming and exotic removal to be performed within the 1000 Oaks Community located in Palm Beach County, Florida. I am confident that Palm Beach Aquatics Inc. will provide the very best service in the industry and can perpetually maintain the property at a level that will not only protect the natural resources but, be aesthetically pleasing to residents and visitors as well.

- Exotic Species Control
 - Current list of recognized exotic species
 - Daily Work Reports
- Monthly Inspections with Property Liaison
 - Protection of natural resources
 - Trash Removal
 - Wild life Monitoring

Our programs include the following:

Scope of Services

Services will include removal of exotic species and trimming of trees and shrubs along shorelines in three different areas to promote healthy growth and an aesthetically pleasing view of preserve areas. (See map for areas of work)

I. Permitting

To be performed by others.

II. Tree and Shrub Trimming

Trees and shrubs in the preserve areas will be trimmed back to reduce encroachment on buildings and yards and improve aesthetics on a 2x a month basis with an expected completion time of 24 months. The North wetland approx. 12 months and the bottom 2 locations, approx. 6 months each. Each visit would consist of a state licensed applicator/supervisor and crew working in a different area of the preserve areas each visit. These methods assure that the all areas are covered throughout. No more than 25% of foliage of each plant will be removed annually. All trimming will be supervised/overseen by an certified Arborist. Any and all alterations will be done in accordance to the benefit of the tree and/or shrub or based on the discretion of the supervising certified Arborist. No deviations or variations of any kind will be conducted by client or PBA. Vegetative Debris will be removed from the preserve area and hauled offsite. Once an area is completely covered it will be maintained for the remainder of the year until another 25% is allowed to be removed.

III. Exotic Removal

All exotic and nuisance species currently listed with the Florida Exotic Pest Plant Council (FLEPPC) will be cut as close to the ground as possible and their stumps will be treated with an appropriate herbicide. Exotic and nuisance species will be addressed as encountered. Vegetative Debris will be removed from the retention area and hauled offsite. All exotic vines will be cut and treated in place and left in mangrove area to decompose. (See map for area of work)

IV. Terms and Assumptions

- A. - Throughout the course of this agreement PBA will keep Client informed via written and telephone communications. It is agreed that there be continual cooperation between Client and PBA services.
- B. - Trimming will be done according to the permit and in accordance to state and local laws.
- C. - All vegetative debris created by trimming will be removed completely from site at time of services and hauled away.
- D. - A schedule will be presented and will be prepared following receipt of signed proposal.
- E. - PBA and its employees will not be held responsible for any damage caused to plants or animals by acts other than those performed by PBA and its employees.
- F. - Community officials and residents will be cooperative and accommodating with PBA and its employees.
- G. - All areas will be accessible during time work is performed.
- F. - Client may terminate the services of this agreement with 90 days' written notice and will be responsible for all fees and expenses due through the end of the business day of termination.

INITIAL HERE:

C. **MATERIALS:** Only chemicals, weed control products, or other materials which have been approved by federal or state authorities shall be used by PBA.

D. **TERM OF AGREEMENT:** This agreement shall be for a term of one (1) year. At the end of the term, this Agreement shall automatically renew for subsequent one (1) year terms unless terminated by either party as otherwise set forth herein. PBA agrees to commence treatment within fifteen (15) days from the date of acceptance of this proposal by customer (weather permitting). The prices for the services to be rendered by PBA shall be in effect for twelve (12) months from date of acceptance of this proposal; provided, however, that either party may cancel this Agreement by providing the other party with thirty (30) days written notice of cancellation. Subsequent to the initial twelve (12) month term of this agreement, PBA reserves the right to implement price changes for increases in PBA costs and services to be rendered under this Waterway and Environmental Areas Management Agreement upon the provision of thirty (30) days notice by PBA. In the event that customer agrees with PBA for additional services not provided for under the initial proposal herein, such price protection as is provided for in this paragraph shall not be in effect and the additional services shall be provided at PBA's customary rate for such services at the time that such additional treatments are initiated.

E. **USE RESTRICTIONS:** PBA agrees that it shall conduct the water/environmental areas management in a manner consistent with good practice and in accordance with such methods and techniques as are reasonably necessary to maintain control. Customer agrees to abide by such time restrictions during and following treatment as are directed by PBA including, but not limited to, water use restrictions. PBA does not assume, and customer specifically waives any liability on the part of PBA, for failure by customer to abide by such directions as to time-use restrictions and for any liability as to additional parties not placed in notice of such restrictions by customer.

F. **ADMINISTRATIVE REMEDIES:** PBA shall provide services hereunder in accordance with rules and regulations of any governmental, administrative, or regulatory body with jurisdiction over the services herein, but PBA reserves the right to pursue its administrative remedies as in compliance with such governmental directions. Services to be rendered during such pursuit of administrative remedies shall be performed by PBA in accordance with this Agreement irrespective of the pendency of the administrative proceedings unless PBA has been otherwise directed by the governmental agency involved.

G. **DISCLAIMER AND TERMINATION RIGHT:** PBA specifically disclaims any liability and damages, penalties or otherwise for failure or delay in the performance of services hereunder caused by circumstances outside of its control, including, but not limited to weather conditions, strikes, riots, governmental orders and regulations preventing performance, curtailment of supply of weed control chemicals or materials or other circumstances beyond its reasonable control. In the event of the occurrence of any of the above conditions, PBA shall give notice to customer of such condition preventing performance hereunder. Customer shall have the right within thirty (30) days thereafter to terminate this agreement by providing notice to PBA in writing of the termination of this agreement.

H. **ASSIGNMENT:** This agreement is not assignable by customers except upon prior written consent by PBA.

I. **MODIFICATIONS:** This agreement constitutes the entire agreement of the parties herein and no oral or written alterations or modifications of the terms contained herein shall be valid unless made in writing and accepted by an authorized representative of both PBA and Customer.

J. **ATTORNEYS' FEES:** PBA shall be entitled to reasonable attorney's fees (including appeal) for purposes of endorsement of the terms and conditions hereunder and shall be entitled to an award of reasonable attorney's fees (including appeal) together with costs and expenses thereof in the event of prevailing in litigation arising under the terms and conditions of this agreement.

K. **NOTICE:** Notice required hereunder shall be made in writing to customer's address shown in this proposal and to PBA at its main office.

L. **3RD PARTY COMPLIANCE:** If the customer requires PBA to enroll in any special third-party compliance programs, invoicing, or payment plans that charge PBA, those charges will be invoiced back to the customer.

M. **MITIGATION PERMITS:** It is the customer's responsibility to inform PBA of any and all work areas that are required mitigation sites in which desirable plants have been or are to be installed. Customer agrees to provide PBA with copies of mitigation permits, site plans, plant species, etc. relating to contracted work areas. PBA assumes no responsibility for damage to desirable plants where customer has failed to disclose such information to PBA. Maintenance activities in designated mitigation areas are proposed under the assumption that there are no outstanding compliance issues with county or water management district regulators. It is the customer's responsibility to inform PBA of any such issues prior to contracting PBA or contract will need to be revised to include any mandatory clean-ups to resolve said compliance issues. PBA will guarantee 80% survivalship on all plants installed and maintained by PBA (Excludes Acts of God, vandalism or any causes outside the control of of Palm Beach Aquatics).

N. **BANK GRASS CONTROL:** Under our "Bank Grass Control" program PBA will treat border grasses and brush to the water's edge. Certain plants, such as grasses and cattails, leave visible structure which may take several seasons to decompose. PBA is not responsible for removing said structures unless otherwise contracted.

O. **LITTER:** Individual litter items to be removed are limited to non-natural materials; such as; paper products, styrofoam cups, plastic bags, and aluminum cans. Construction debris, shopping carts, discarded household appliances, or any other objects not considered litter are not included in the trash/litter removal service and their removal may be subject to additional charges.

P. **ADDITIONAL SERVICES:** Except as noted herein, additional work as requested by customer such as large debris removal, plant cutting and/or removal, washout repair, and other manual maintenance will be considered as extra work and is subject to separate invoicing.

Q. **DISPOSAL:** Customer is responsible for providing an on-site location or dumpster for the disposal of collected materials. If customer is unable to provide PBA with access to such a site, customer will be responsible for any hauling or dumping fees that may be necessitated by the disposal of collected materials.

R. **WATERBODY CONTROL STRUCTURE CLEANING/MAINTENANCE:** Cleaning and maintenance activities listed in PBA proposals pertain to keeping inflow and outflow structures clear of vegetation or debris that may clog or disrupt proper flow and efficiency of structures. These activities do not include structural repairs and/or major sediment removals or underground clearings of built-up material. Sonar treatments to prevent or treat select submersed weed is not included.

S. **FOUNTAIN SERVICES:** **A)** Standard fountain cleaning included in monthly service at no charge is a Superficial cleaning and includes the lights nozzle and float only. For all service request a diagnostic fee of \$125.00 for the first hour will apply. The diagnostic fee will be waived if the work is done by PBA but standard labor rates still apply. **B)** Fountain maintenance Program is a additional service that includes a detailed cleaning of entire fountain top, bottom and intake screen, testing of all control panel components to catch any issues before they happen. For all service with this program the first hour including the diagnostic fee will be waived. **C)** Any components that need to be replaced will be ordered and installed by PBA with written consent. If the part cost is under \$250.00 PBA will replace the part without a written authorization and billed as a separate invoice. Standard PBA Labor rates may still apply.

T. **WATER CHEMISTRY & BACTERIA TESTING:** Any testing will be done per PBA's discretion and/or per request of property owner. Due to various tests and corresponding costs an additional proposal will be provided to Customer per desired test.

U. **TRIPLOID GRASS CARP STOCKING & PERMITTING:** A separate proposal can be provided upon request for stocking and permitting of triploid grass carp but is not included in this agreement.
